Special Features	 DESIGN FORWARD AESTHETIC	 *HEAT-MITIGATING	 DISTINCTIVELY DURABLE	 NATURE INSPIRED	 BEAUTY ON A BUDGET	 TRADE UP FROM WOOD

*Although Trex decking products with heat-mitigating technology are designed to be cooler than most other composite decking products of a similar color, on a hot sunny day, it will get hot. On hot days, care should be taken to avoid extended contact between exposed skin and the deck surface, especially with young children and those with special needs. **Coastal Bluff and Beach Dune to be discontinued October 2025.
